1st Qtr 87 Royalty

Dear Publisher:

Enclosed is the royalty payment for the use of your publication(s) in our microfilm collections. The royalties have been computed based on the microfilm subscriptions sold. The attached statement summarizes the calculations for the first quarter of 1987.

1987 marks the 10th anniversary of Information Access Company and the Magazine Index^{tm}, our first product. The Magazine Index^{tm} and the other IAC indexes, the Business Index^{tm}, Trade & Industry Index^{tm}, the National Newspaper Index^{tm} and the Government Publications Index^{tm} have become popular reference services in libraries. IAC's indexes benefit you by giving your publication a longer shelf life and a higher profile.

Your participation in IAC's document delivery service ensures that your publication will continue to be indexed by IAC.

We appreciate your continued participation in our information venture. Should you have any questions, please feel free to contact me. I can be reached at 800/227-8431.

Sincerely,

Jinna Gibson
